### First Grade Readiness!

This summer we are planning one week of “First Grade Readiness.” We will focus on phonics as well as reading with accuracy and fluency to support comprehension. We will also focus on handwriting. Various activities will be used to enhance writing skills. In addition, we will work on one and two-digit addition and subtraction. These skills will be practiced through literature, creative activities, and the use of our Promethean board to enrich your child’s learning. This is a great way to get your child ready for first grade!
