### Third Grade Readiness!

This summer we are planning one week of “Third Grade Readiness.” We will focus on applying phonics skills in order to read with accuracy and fluency to support comprehension. We will also focus on writing in response to reading along with practicing cursive writing. (Various activities will be used to enhance writing skills.) In addition, we will work on two and three-digit addition and subtraction. These skills will be practiced through literature, creative activities, and the use of our Promethean board to enrich your child’s learning. This is a great way to get your child ready for third grade!
